You now have access to the largest tech & creative training library on the planet.

With our Annual Plus membership, employees have access to the following:

**Pluralsight’s vast library**
The largest developer, IT and creative training library on the planet with 3,000+ courses and new courses added daily.

**Training anytime, anywhere**
Pluralsight’s platform includes access to online training, offline training and mobile apps, allowing you to train whenever it’s convenient.

**Hands-on training and discussion forums**
Supplement your training with hands-on lab exercises and connect with your peers and experts in course discussion forums.

**Assessments**
Test your pre- and post-course knowledge of the subject to know where to begin and how much you’ve learned.

**Real-world expertise**
An elite group of experts author Pluralsight’s original courses, covering the latest technologies and trends.
