

## SAMPLE ICONS

The icons provided here are a sample from a larger icon library Pluralsight provides to approved authors. Using these icons will increase the quality of your audition and help familiarize you with the Pluralsight brand.

You are encouraged to use the sample icons to compliment your narration. However, do not feel limited to using the provided icons as the only visuals in your audition. Outside images are also encouraged. Selecting great images and icons will enhance the effectiveness of your lesson.

The icons shared here are property of Pluralsight and are not to be used outside of the audition.
